Ekone Summer Camp Financial Policies

Deposits

We require a minimum **\$350 deposit** per camp session per camper. ***The deposit is due within two weeks of acceptance into a session*** – if not paid within two weeks, your camper's spot in camp is no longer guaranteed and may be filled by another camper. You are also welcome to pay in full at the time of registration. ***Tuition balance for camp is due one month before the program start date.***

Refunds

Before Summer Camps Begin:

In the event that cancellation is necessary, tuition ***is refundable until the start date of summer programs***, minus a \$50 per session administrative fee to cover costs associated with registration and cancellation.

Once Summer Camp is in Session:

Cancellations made at least one month prior to your scheduled session can receive a 50% refund. Cancellations made less than one month's notice and tuition is non-refundable.

In the Event of Illness:

For the health of our camp staff and community, we ask that campers not come to camp if they are sick. However, we know this places a financial burden on families with our refund policy. If your camper is sick when they are scheduled to come for camp, we can hold your camper's tuition as camp credit. We will work together to try to find another time later in the summer for your camper to come to Ekone, or hold a spot for them in the following summer.

To help with the cost of camp, we offer:

Payment Plans:

Monthly payment plans can be set up automatically through our payment service. Please let us know if this would be helpful and we will work with you to set it up.

Scholarships:

Applying for a scholarship is easy. When you are applying for camp, just check the box that says you are interested in the scholarship application! We will send it to you once your camper is accepted into a camp session. A partial-tuition deposit will be required to confirm your camper's space in camp.
